

Welcome to WisAct

Everything you need for your first gathering

We're genuinely glad you're here.

Where wisdom becomes action.

WHAT TO EXPECT

Every WisAct gathering has two parts, usually about two hours total:

01 Wisdom Time (30–45 min)

A real conversation — led by a member or guest speaker — on something practical or personal. No lecture, no pressure to talk. Just show up and listen, or share as much or as little as feels right.

02 The Activity

That week's featured activity — could be dancing, pickleball, archery, a hike, and more. Beginners are always welcome; nobody expects you to already be good at it.

BEFORE YOU COME

✓ Register Online

Fill out the short registration form on our website — it includes a quick liability waiver, required once.

✓ Check the Activity

Some weeks need specific gear (like closed-toe shoes for archery). Check the site or ask us if you're not sure what to bring.

✓ Check In When You Arrive

A quick check-in when you get there — just your name and which activity you're joining.

QUICK QUESTIONS

Do I need experience?

No. WisAct activities are beginner-friendly by design. Nobody's judging your first pickleball serve.

Is there a cost?

Most activities are free. A few (like range days) have a small fee to cover real costs — you'll always know in advance.

What if I miss a week?

No problem — come back whenever works. The rotation keeps going, and you're welcome anytime.

Can I bring a friend?

Absolutely — just have them register too so we know to expect them.

What happens in Wisdom Time stays private, right?

Yes. It's our most important community guideline — what's shared in the group stays in the group.

SEE YOU SOON

That's really all there is to know. Come as you are — we're looking forward to meeting you.
